

Coldplay - Swallowed In The Sea

Tom: B

B Gb
You cut me down a tree

E B
And brought it back to me

Gb E
And that's what made me see

B
Where I was going wrong

B Gb
You put me on a shelf

E B
And kept me for yourself

Gb E
I can only blame myself

B
You can only blame me

E B
And I could write a song

Abm Gb
A hundred miles long

E B
Well, that's where I belong

Gb
And you belong with me

E B
And I could write it down

Abm Gb
Or spread it all around

E B
Get lost and then get found

Gb
Or swallowed in the sea

(B)

B Gb
You put me on a line

E B
And hung me out to dry

Gb E
Darling, that's when I

B
Decided to go to see you

B Gb
You cut me down to size

E B
And opened up my eyes

Gb E
Made me realize

B
What I could not see

E B
And I could write a book

Abm Gb
The one they'll say that shook

E B
The world and then it took

Gb
It took it back from me

E B
And I could write it down

Abm Gb
And spread it all around

E B
Get lost and then get found

Gb
And you'll come back to me

E B
Not swallowed in the sea

Oohhhhh Ahhhhhh

E B
And I could write a song

Abm Gb
A hundred miles long

E B
Well that's where I belong

Gb
And you belong with me

E B
The streets you're walking on

Abm Gb
A thousand houses long

E B
Well, that's where I belong

Gb
And you belong with me

E B
Oh, what good is it to live

Abm Gb
With nothing left to give

E B
Forget but not forgive

Gb
Not loving all you see

E B
Are the streets you're walking on

Abm Gb
A thousand houses long?

E B
Well, that's where I belong

Gb
And you belong with me

E B
Not swallowed in the sea

Abm Gb
You belong with me

E B
Not swallowed in the sea

Abm Gb
Yeah, you belong with me

E B
Not swallowed in the sea
