

Coldplay - The World Turned Upside Down

Tom: **E**
Intro: **E**

E **A**
X & Y

E **A**
The land, sea, rivers, trees, the stars, the sky

E **A**
That and this

E
We're part of a bigger plan

A
Don't know what it is

E
Don't know what it is

E **A**

Riff durante os versos:

E **A**
You and me

E **A**
The land, sun, trees, the sky, the stars, the sea

E
365 degrees

A
I am a puzzle you're the missing piece

E
Hang on a minute just a minute please

A
I'll come

E **A**
And everything under the sun

E **A**
And everything under the sun

A **B**
What is this feeling that I can't explain?

Dbm **D**
And why am I never gonna sleep again?

A **B**
What is this thing I've never seen before?

Dbm **D**
A little boy lost in a breaking storm

A **B**
Pilots, up and away they fly

Dbm **D**
To write your name in the summer sky

A **B**
Life has really only just begun

Dbm **D**
Life that comes and everything under the sun

(**E**)

B **E**
And you don't know that you've been born

B **E**
Can't see the calm until the storm

B **E**
Can't tell your right side from your wrong

B **A** **E** (**E**)
Can't see the wave you're riding on

Acordes
