[Primeira Parte]

I used to rule the world
Seas would rise when I gave the word
Now in the morning and I sleep alone
Sweep the streets I used to own

(C Dadd9 G Em)
(C Dadd9 G Em)

I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
Now the old king is dead!
Long live the king!

[Pré-Refrão 1]

One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

[Refrão 1]

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword, and shield
My missionaries in a foreign field
For some reason I can't explain
Once you go there was never
Never an honest word
That was when I ruled the world

(C Dadd9 G Em)

[Segunda Parte]

It was the wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become

[Pré-Refrão 2]

Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

[Refrão 2]

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword, and shield
My missionaries in a foreign field
For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world
