

Coldplay - We Never Change

Tom: A

(intro 2x) Gbm E

(verso 1)

I want to live life, and never be cruel

And I want to live life, and be good to you,

And I want to fly, and never come down,

And live my life, and have friends around

(refrão)

We never change, do we? No, no.

We never learn, do we?

(verso)

So I want to live in a wooden house

I want to live life, and always be true

And I want to live life, and be good to you,

And I want to fly, and never come down,

I want to live where the sun comes out.

And live my life, and have friends around

(refrão)

We never change, do we? No, no.

We never learn, do we?

(verso)

So I want to live in a wooden house

But making more friends would be easy

Oh and I don't have a soul to save,

Yes and I sin every single day.

(refrão 2)

We never change, do we?

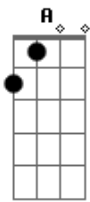

We never learn, do we?

So I want to live in a wooden house,

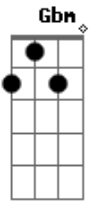

Making more friends would be easy,

I want to live where the sun comes out.
