

Coldplay - We Never Change

```
Tom: A
   (intro 2x)
                 Gbm E
(verso 1)
I want to live life, and never be cruel
                       Gbm
And I want to live life, and be good to you,
                   Gbm
And I want to fly, and never come down,
                 Gbm
And live my life, and have friends around
 We never change, do we?
                             No, no.
                            Dbm
 We never learn, do we?
(verso)
                   Gbm
So I want to live in a wooden house
I want to live life, and always be true
                      Gbm
And I want to live life, and be good to you,
                   Gbm
And I want to fly, and never come down,
```

```
And live my life, and have friends around
 We never change, do we? No, no.
 We never learn, do we?
(verso)
So I want to live in a wooden house
               Gbm
But making more friends would be easy
Oh and I don't have a soul to save,
Yes and I sin every single day.
(refrão 2)
  We never change, do we?
 We never learn, do we?
So I want to live in a wooden house,
                                          D Bm
                 F
Gbm
I want to live where the sun comes out.
```
