

Coldplay - Yellow

```
tom:
Intro: G D C G
Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow
I came along
I wrote a song for you
And all the things you do
And it was called "Yellow."
So then I took my turn
Oh what a thing to have done
And it was all yellow
Your skin
Oh yeah, your skin and bones
Turn into something beautiful
You know, you know I love you so
You know I love you so
( G D C G )
I swam across
I jumped across for you
```

Oh, what a thing to do 'Cause you were all yellow I drew a line I drew a line for you Oh, what a thing to do And it was all yellow Your skin Oh yeah, your skin and bones Turn into something beautiful And you know For you I bleed myself dry For you I bleed myself dry (G D C G) It's true, look how they shine for you Look how they shine for you Look how they shine for Look how they shine for you Look how they shine for you Look how they shine Look at the stars Look how they shine for you And all the things you do
