

# Colin O'Donoghue - Revenge Is Gonna Be Mine

tom:  
 [Primeira Parte]  
 (Captain Hook)  
 My dear prince and princess, your offer is meaningless  
 Don't give a damn 'bout your rank  
 The gold in your sack, well, it isn't worth jack  
 I should make you fools go walk the plank

[Pré-Refrão]  
 Your riches would fill other pirates with glee  
 But none of those pirates are me! (They're not he!)

[Refrão]  
 Sing' yo-ho, keep your jewels divine  
 Yo-ho and your manners refined  
 'Cause even more precious than rum in a stein  
 Is revenge, revenge, revenge and it's gonna be mine!  
 Revenge, revenge, revenge, it's gonna be mine!

[Segunda Parte]  
 I've savaged and pillaged and pilfered each village  
 My conquests I'm justly proud of  
 Each town that I plunder  
 I leave torn asunder  
 A pirate's life is one to love

[Pré-Refrão]  
 And yet my heart's hardened as hard as a rock  
 I won't rest 'til I've skinned me a croc!

[Refrão]  
 Sing a yo-ho, you can beg, plead and whine

But yo-ho, you are wasting your time  
 That croc in my hand  
 Wanna tear out his spine  
 Revenge, revenge, revenge is gonna be mine  
 Revenge, revenge, revenge is gonna be mine

[Ponte]  
 Once I sailed toward a horizon  
 Where I might find happiness waiting  
 Until that croc destroyed my life  
 And filled me with hate unabating  
 Some say 'let it go?', but I say 'hell, no!'  
 I'm finally on the right path

Soon the Dark One will feel  
 The fire of this pirate's wrath!

[Refrão]  
 Sing a yo-ho, I'll slaughter the swine  
 Yo-ho, must be fate's design  
 At last our tales will again intertwine  
 Revenge, revenge, revenge is gonna be mine

Oh, it's gonna be, oh, it's gonna be  
 Oh, it's gonna be mine!  
 Oh, it's gonna be, oh, it's gonna be  
 Oh, it's gonna be mine!
