Colouring - Heathen

```
                          tom:
                    F

             F        Am    G
  Let me off
       F                                  Am   G
We can all mistake, oh, all mistake a heart
F            Am     G
   It's hard enough
         F                              Am   G
Oh, I'm tripping up, I'm tripping in the dark

F              Am
  So you're a heathen
      C                    G
You don't believe in love
F       Am      C            G
  Am I beaten, if I believe in us?

( F  Am  G )
( F  Am  G )

F              Am     G
  Into the black
             F                     Am   G
Where I'm falling, oh I'm falling paralyzed
F            Am    G
  Just take me back
         F
How will I get out this time?
       Am          G          F
How will I get out this space you designed?

            Am
So you're a heathen
       C                   G
You don't believe in love    You don't believe, no
F       Am      C            G
  Am I beaten, if I believe in us?
                         F
If I believe in..
            Am
So you're a heathen
```

```
        C              G
You don't believe in love
                      F
You don't, you don't
          Am        C            G
Now I'm beaten, 'cause I believe in us
              F   Am  C  G
You know, you know

( F  Am  C  G )

Dm                            Am
   I wanna know what you feel
                            C
I wanna know what you feel
                    G
Would you be like me?
                      Dm
Would you be alike..?
                            Am
I wanna know what you feel
                            C
I wanna know what you feel
                    G
Would you be like me?
                      Dm
Would you be alike..?

                   Am
So you're a heathen
C
   You don't, you don't
G
   You don't believe
F         Am      C
  Am I beaten
           G
Finally
F              Am
   Oh, I believe
              C
Oh, I believe
              G
Oh, I believe
