

Colter Wall - Caroline

tom: Caroline

^C
There's a place where the sun doth shine

^G ^C
And the birds keep time with the pines up yonder

That's the home of my Caroline

^G ^C
She's dancing in the sky

^C
Oh how sweet when we meet

^G ^C
On the golden streets of the great wide valley

These old chains around my feet

^G ^C
They're pulling me back down

^{Am}
Caroline, oh Caroline

^G ^C
I'll be home just at any old time

The grave and the garden won't be satisfied

^{Am} ^G ^C
Until your name's next to mine

^C
When my bones do break and my hands do shake

^G ^C
As I lie in the wake of time's cruel slaughter

But if I die before I wake

^G ^C

I'm gonna see my Caroline

^{Am}
Caroline, oh Caroline

^G ^C
I'll be home just at any old time

The grave and the garden won't be satisfied

^{Am} ^G ^C
Until your name's next to mine

^C
There's a place where the sun doth shine

^G ^C
And the birds keep time with the pines up yonder

That's the home of my Caroline

^G ^C
She's dancing in the sky

^{Am}
Caroline, oh Caroline

^G ^C
I'll be home just at any old time

The grave and the garden won't be satisfied

^{Am} ^G ^C
Until your name's next to mine

^{Am}
Caroline, oh Caroline

^G ^C
I'll be home just at any old time

The grave and the garden won't be satisfied

^{Am} ^G ^C
Until your name's next to mine
