

Cômodo Marfim - Azul

Tom: G
Intro: F Dm F Dm

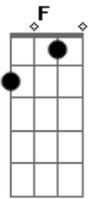

F
Deixa ver
Não quero mais tentar saber de tudo
Quando vai voltar
Deixa ver
O que eu nem sei mais
Deixa eu levantar
Olhar pela janela e ver

Que ainda é cedo
E você já vai
Deixa o dia o clarear, meu bem
E trazer com ele
A chuva que vai te levar
Senta aqui e aperta a minha mão
Antes de subir, aperta a minha mão
E vai embora de azul
E vai embora no azul
