

Comunidade Católica Shalom - Longanimidade

tom:

Longanimidade é acolher espinhos
 Quando se quer oferecer rosas
 Ser afável quando não se quer é arte
 De quem aprendeu a amar

 Se teu passo chega tropeçando no meu
 Se já me atira pedras com teu falar
 Criativamente eu posso aprender a esperar
 O tempo é amigo de quem pede abrigo
 De quem busca em tudo melhorar

(F F7 Bb Db7M Gb7M)

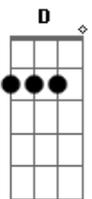

Amabilidade é correr os riscos
 Pois quem ama nunca vai medir
 Perdoar aquele que feriu é arte
 De quem sabe que um dia vai ferir

 Se teu passo chega tropeçando no meu
 Se já me atira pedras com teu falar
 Criativamente eu posso aprender a esperar
 O tempo é amigo de quem pede abrigo
 De quem busca em tudo melhorar
