

Comunidade Missionária Dom Bosco - Seguindo o Caminho

tom:

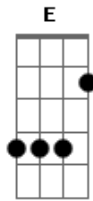

E

Hoje a vida é só alegria
A paz que reina em meu peito extasia
Canto e danço numa só harmonia
Sigo o trenzinho do teu caminho
E dele não quero saltar

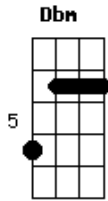

Bato palmas louvando a ti
Meu Deus
Dou pulos pros feitos teus
Meu Deus

Grito pro céu pra dizer que te quero
Vem, vem, vem, vem, vem Espírito
