

Comunidade Samba da Vela - Sol do Cangaço

tom:
 E
 Vi, no calor do meu sertão
 Todo o solo estremeceu
 E o boi, lá no curral, morrer
 Vi, o açude sem ter água
 Me secou até a mágoa
 E os meninos sem comer
 Sem beber, sem viver

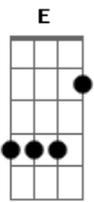

A7M B Abm7 E7
 Vi rachar todo o meu chão
 A7M Ab7 Dbm
 Perdi toda a plantação

B7 Abm7 E7
 Nem mandacaru nasceu
 A7M Ab7 Dbm
 Mas, nada disso foi tão forte
 D7
 Quando ao lado eu vi a morte
 Abm7 E7
 Rodeando um filho meu
 A7M B Abm7
 E eu na frieza do sol do cangaço
 Dbm Bm7 Gb7
 Chorei meu filho em meus braços
 B7 Bm7 E7
 Pouco a pouco padecer
 A7M B Abm7
 E eu na frieza do sol do cangaço
 Dbm Bm7 Gb7
 Chorei meu filho em meus braços
 B7 Abm7 Aadd9
 Pouco a pouco padecer
