Oh, I don't really <sup>D</sup> care if you like me or not <sup>Bm</sup>  
But I know that you want me to <sup>Gbm</sup>  
Oh, anythin' I do, I know you're gonna watch <sup>D</sup> <sup>Bm</sup>  
To rumor up that I'm a fool <sup>Gbm</sup>  
you and all your friends have to walk in a squad <sup>D</sup> <sup>Bm</sup>  
'Cause y'all are so insecure <sup>Gbm</sup>  
Oh, overcompensate 'cause you're sizing me up <sup>D</sup> <sup>Bm</sup>  
The oldest trick in the book <sup>Gbm</sup>

<sup>D</sup> <sup>Bm</sup> <sup>Gbm</sup>  
There's nothin' you could do  
<sup>Gbm</sup> <sup>D</sup>  
To dampen up my mood

A little more confidence  
<sup>D</sup> <sup>Em</sup>  
This is where it's gotta stop  
<sup>Gbm</sup>  
I'm tired of hearin' it  
<sup>D</sup> <sup>Em</sup>  
You're just gonna be a fraud  
<sup>Gbm</sup>  
Oh, we're nothin' but fickle friends

<sup>D</sup> <sup>Bm</sup>  
I don't really like how you never shut up  
<sup>Gbm</sup>  
'Cause you got dirt on everyone  
<sup>D</sup> <sup>Bm</sup>  
And since you always swear that you wanted me gone <sup>Gbm</sup>  
Then why don't you go get your gun?
