

Conan Gray - Grow

Tom: **G**

[Primeira Parte]

G **Em** **Am** **C**
I look about seventy years older
G **Em** **Am** **C**
It feels like minutes but really it's hours
G **Em**
The cooling pavements calling my name and
Am **C**
The zooming street signs don't look the same, no
G **Em** **Am**
Don't know why but I think I'm ready for it
C
Yeah, I think I'm ready for

[Pré-Refrão]

G
Running on concrete
Em
electricity
Am
I finally can breathe
C
I think I'm ready for
G
Only you and me
Em
We made it out it seems
Am
I made it out it seems
C
I think I'm ready to

[Refrão]

G **Em** **Am** **C**
Grow, to grow
G **Em** **Am** **C**
To grow, to grow

[Segunda Parte]

G
Familiar sounds
Em **Am** **C**
The lake holds all our secrets
G
Nostalgia bound
Em **Am** **C**
Yeah, I'll take my time evolving
G
Dreaming of phone calls
Em
You knew all along
Am **C**
The way we joked 'till we laughed our tails off
G
See it all unfold
Em **Am**

An emerald life before me
C
Yeah, I think I'm ready for

[Pré-Refrão]

G
Running on concrete
Em
electricity
Am
I finally can breathe
C
I think I'm ready for
C
Only you and me
Em
We made it out it seems
Am
I made it out it seems
C
I think I'm ready to

[Refrão]

G **Em** **Am** **C**
Grow, to grow
G **Em** **Am** **C**
To grow, to grow

[Ponte]

G **Em**
Yeah I see it coming, I see it coming
Am **C**
Oh, boy I'm running, oh boy I'm running
G **Em**
I see it coming, I see it coming
Am **C**
Oh, boy I'm running, and oh boy I'm running, running

[Refrão]

G **Em** **Am** **C**
Grow, to grow
G **Em** **Am** **C**
To grow, to grow

G
Your reality
Em
Don't know where it'll be (grow, to grow)
Am
But everything's a dream
C
I think I'm ready for
G
Only you and me (to grow, to grow)
Em
We made it out it seems
Am
I made it out it seems
C
I think I'm ready, ready
