

Conan Gray - Heather - Parodia

tom:

G

G
I still remember, almost december

Bm
Me in your sweater

You said I looked better than

Em
A girl i thought pretty

C7M
But i think you were pity, 'cause how could

Cm
You lie to me using

G
My heart

Bm

The tears filling my eyes

Em
My face just turned to the sky

C7M **Cm**
I wish I could believe you, and how I do

G
Why would you ever tell me?

Bm
That my selfsteem has tricked me

Em
Don't know how to do that

But dont wanna give up yet

C7M
You tell me I'm pretty

Cm
I wish I 'could see it

Acordes
