## Conan Gray - Heather X a Thousand Years X Before You Go

Am But how could I hate her, she's such an angel tom: G Fm But then again, kinda wish she were dead С I still remember third of December G So, before you go Em Me in your sweater, you said it looked better Δm Was there something I could've said Am On me, than it did you, only if you knew To make your heart beat better? How much I liked you, but I watch your eyes If only I'd've known you had a storm to weather G G I have died everyday waiting for you So, before you go Em Am Darling don't be afraid I have loved you Was there something I could've said C C C To make it all stop hurting? For a thousand years D It kills me how your mind can make D I'll love you for a thousand more You feel so worthless G And all along I believed I would find you Why would you ever kiss me? Em Time has brought your heart to me Fm I'm not even half as pretty 0 0 D C I have loved you for a thousand years D D You gave her your sweater, it's just polyester I love you for a thousand more But you like her better С Fm Watch as she stands with her, holding her hand I wish I were Heather Em Put your arm 'round her shoulder, now I'm getting colder Acordes G Em
