

Conan Gray - Little League

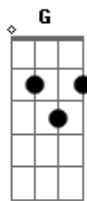

tom:
 C
 Do you remember days on our old block?
 G
 Messing with our neighbors, who called the cops
 Am
 Coulda swore that you and me
 Em
 Could get away with anything
 C
 We'd lay on the grass, all the day talking
 G
 'Cause we snuck out of class when no one was watching
 Am
 I remember you and me
 Em
 Yeah, I remember everything
 C
 But, lately I've been feeling strange
 Am
 And everybody's telling me to act my age
 C
 I never thought everything i had, would fade away
 G
 When we were younger
 Am
 We didn't know how it would be
 Em
 We were the dumb, the wild, the free
 C
 Little League
 G
 And when we were younger
 Am
 We wore our hearts out on our sleeves
 Em
 Why did we ever have to leave?
 C
 Little League
 G
 Could I get a rewind?
 Am
 Get another chance, take it back in time
 Em
 'Cause I don't know what to do
 C
 With everything I'm going through

G
 And where did all my friends go?
 Am
 Standing on our street but nobody's home
 Em
 Swore we'd never move away
 C
 But now I'm going 95 on the interstate
 Am
 'Cause lately I've been feeling strange
 C
 And everybody's telling me to act my age
 Em
 I never thought that everything I had, would fade away
 F C
 When we were younger
 G
 We didn't know how it would be
 Am
 We were the dumb, the wild, the free
 Em
 Little League
 C
 And when we were younger
 G
 We wore our hearts out on our sleeves
 Am
 Why did we ever have to leave?
 Em
 Little League
 G
 I wish I was younger
 Am
 Wish I was younger
 Em
 When we were younger
 C
 We didn't know how it would be
 Am
 We were the dumb, the wild, the free
 Em
 Little League
 G
 And when we were younger
 Am
 We wore our hearts out on our sleeves

 Why did we ever have to leave?
