[Primeira Parte]

Now, you know I'm a wicked man
I bit the hand that was feedin' me
It's snappin' back like a rubber band
The fear of love is my tendency

[Pré-Refrão]

But I feel it, believe it
I never meant to break your heart
But I lost it like a promise
And left you dancin' in the dark

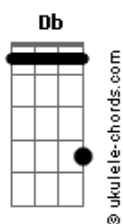

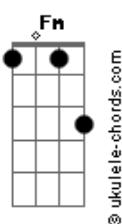

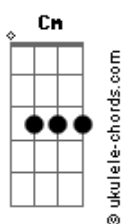

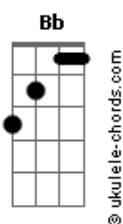

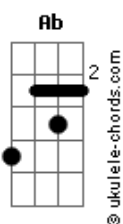

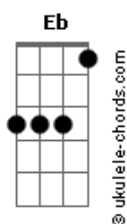

[Refrão]

I don't know why
I'll be gone because you love me
I don't know why
Is it wrong to now decide

[Post-Refrão]

I miss you? (Miss you)
I miss you (miss you)

Acordes

[Segunda Parte]

Didn't think you would understand
After all that I put you through
From my search for the promised land
I came back only wanting you

[Pré-Refrão]

'Cause I feel it, believe it
I never meant to break your heart
But I lost it like a promise
And left you dancin' in the dark

[Refrão]

I don't know why
I'll be gone because you love me
I don't know why
Is it wrong to now decide?
I don't know why (don't know why)
I'll be gone because you love me
I don't know why (don't know why)
Is it wrong to now decide?

[Post-Refrão]
