

# Conan Gray - Moths

tom:

C

The door is closed, but the window's open  
 I'll leave the light on and I'll let the moths in  
 I'll keep your secrets and I'll watch them follow you home  
 So keep on walking, just keep on walking

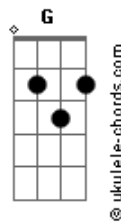

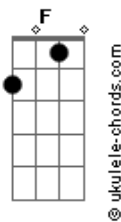

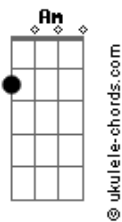

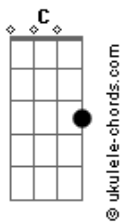

And I won't beg  
 But if you need me  
 Just turn around  
 Just turn around

Your brand-new friends  
 You sure do look like a movie star  
 I loved a version of you that you're washing away  
 And I've been drowning myself, trying to cover the drain

So I won't beg

But if you need me

Just turn around

C

Just turn around

And if you wanted, you could meet me on the other side of the  
 Street

No touch, no kissing, let's just talk it out

F

I'll meet you in the middle, I will always be your friend

So I won't beg (might be missin' you forever, but you're every  
 song I sing)

But if you need me (and every letter, every word that we don't  
 speak)

Just turn around (holds us together, I will always be your  
 friend)

Just turn around

The door is closed, but the window's open

I'll leave the light on
