

# Conan Gray - The Best

tom:

Gb (forma dos acordes no tom de C )

Capostrate na 6ª casa

It was a bad time, wouldn't go back  
 But memories of good times, they really last  
 Arms in your sweatshirt, primrose at night  
 Mint chocolate ice cream, your hazel eyes

I know it's so low  
 To hate you for leaving without me  
 But why leave so quickly?  
 Do you miss me?  
 Did all of this past year mean anything?

Maybe it's all in my mind  
 But I swear if I saw you tonight  
 We could make peace with it, not have to sleep with it  
 Haunting me all of the time  
 I'd take back the shit that I said  
 When I was so pissed that you left  
 I could make peace with it, finally sleep with it  
 Finally wish you the best

Grew out your buzz cut, now my hair is short  
 Nothing like it once was, when I was yours  
 I still remember that night you left, closed the door  
 And you stood by the window waiting  
 Like you were gonna say something

But you just walked away

Maybe it's all in my mind  
 But I swear if I saw you tonight  
 We could make peace with it, not have to sleep with it  
 Haunting me all of the time  
 I'd take back the shit that I said  
 When I was so pissed that you left  
 I could make peace with it, finally sleep with it  
 Finally wish you the best  
 Finally wish you the best

Sometimes I wonder, were we ever even friends?  
 Sometimes I wonder if it really is the end  
 I wanna watch you while the words come out your mouth  
 That you don't miss me like I know you miss me now  
 I know you miss me now

Maybe it's all in my mind  
 But swear if I saw you tonight  
 We could make peace with it, not have to sleep with it  
 Haunting me all of the time  
 I'd take back the shit that I said  
 When I was so pissed that you left  
 I could make peace with it, finally sleep with it  
 Finally wish you the best  
 Finally wish you the best  
 Finally wish you the?
