Intro: D Em D

You know that I love you
And I have a feeling that you love me back
We're sat in my bedroom
And I hear your heart like a train on a track
Your eyes are like heaven, your voice is like rain
11:11S, they all hear your name
I'm too shy to tell you, the words on my mind
I hope you can see if you read through these lines
[Refrão]

That I wrote this song about you
Something I wish you knew
Something I tried to say
But now I'll say it straight
I wrote this song about you
I drive through the suburbs
And you're playing all of your favorite songs

You joke 'bout your mother
She can't help but cry when she hears Elton John
You say you're obnoxious, I'm laughing like spring
Your brown waisted jacket, my hands through the sleeves
The smell of your perfume is all over me
I can't wash it off, so it's easy to sleep
[Refrão]

That I wrote this song about you
Something I wish you knew
Something I tried to say
But now I'll say it straight
I wrote this song about you
You know that I love you
Is it dumb believing you might love me too?
Yeah
[Solo]
