

Concrete Blonde - True

tom:
Intro: A B Dbm
Dbm B A

[Verse 01]
Well when I've had enough
I'll get a pick-up truck
And I'll drive away
I'll take my last ten bucks
Just as far as it will go

[Pre-Chorus]
Well sometimes I'm easily fooled
I'll take a painful step
And I get knocked back two
I do all I can and it's all I can do

'Cause I'm true

[Verse 02]
And if I had the choice
I'd take the voice I got
Cause it was hard to find
You know I've come too far
To wind up right back where I started

[Pre-Chorus]
And they tell me who I should be
I'll never let the monkeys make a mess of me

A Abm Gbm
I am who I am and it's all I can do

E
But I'm true

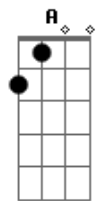

[Bridge]
C
One more sunrise
C
Open my eyes up
E
True
C
One more sunset
C
Lay my head down
E
True

[Verse 03]
And then they talk you up
And then they talk you down
And you begin to doubt
Sometimes the reasons seem so very far away

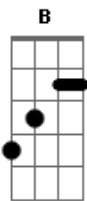

[Pre-Chorus]
A Abm
But I'd stop breathing today
Cause if I can't walk proud
I'd rather walk away
A Abm Gbm
I do all I am and it's all I can do
E
But I'm true

A Abm Gbm
I'd give all I am and I'd give it to you
E
True
