

Confetti - Elephant In The Room

tom:
Dm

I'm just the elephant in the room Dm Bb F

What's your best excuse? (Best excuse) Gm

I'm just the elephant in the room Dm Bb F

Do you really wanna be the one Dm

That makes this so uncomfortable tonight? Yeah Bb F Gm

When you could be one Dm

To set the record straight, you think it's not the perfect time, uh Bb

I wish I could be the one to make it easy Dm Bb

But I'll remind you that you're gonna hurt some feelings F Gm

So you slide around the issues and lay low Dm Bb

Heaven forbid you got to dirty up the halo F Gm

So

I'm not gonna let this go Dm Bb

Don't know what you're waiting for F Gm

I'm not gonna let you go Dm Bb F Gm

So

I'm just the elephant in the room Dm Bb F

What's your best excuse? (Best excuse) Gm

I'm just the elephant in the room Dm Bb F

Better think this through, yeah Gm

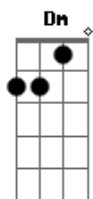

You don't wanna talk about your feelings Dm Bb F

I'll be in the corner with the reasons Gm

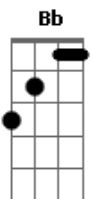

I'm just the elephant Dm Bb

I'm just the elephant F Gm
