

Connie Talbot - I Would

tom:

F

Dm

Never known my hands to shake

F

Never had my heart beat so fast

Dm

Finally found the words to say

F

But I'm scared you won't say them back

Dm

Wish that you could read my mind

F

So you could see what's locked up inside

Dm

Could I ask a couple questions

F

Before the moment passes us by?

Bb7M Am7 Gm7

Ohh, Honestly

F

Would you give all your life

Gm

If I give you all of mine?

Dm

Would you love me unconditionally

C

Be everything that I need

C

And do anything for love?

F

Would you stand by my side

Gm

Until the end of time?

Dm

Would you love me unconditionally

C

Be the air that I breathe

C

And do anything for us?

F

'Cause I would

Dm

Standing on the edge with you

F

If you jump, then I would jump too

Dm

Every single breath I take

F

I would give 'em all up for you

Bb7M Am7 Gm7

Ohh, Honestly

F

Would you give all your life

Gm

If I give you all of mine?
