

Conor Maynard - Dusk Till Dawn (Sing Off) (feat. Madison Beer)

Tom: A

m
Hello, it's me

I was wondering if after all these years you'd like to meet

Am
Send me your location, let's

Focus on communicating

'Cause I just need the time and place to come through

Am
You were the shadow to my light

Did you feel us?

Another star, you fade away

Cause you are unforgettable

I need to get you alone (oeh)

Am
Just gonna stand there and watch me burn

Well, that's all right

Because I like the way it hurts

Can we pretend that airplanes

In the night sky are like shooting stars?

I could really use a wish right now

Wish right now, wish right now

Am
So love me like you do, la-la-love me like you do

Touch me like you do, ta-ta-touch me like you do (ohh)

F
I remember years ago

C
Someone told me I should take

G
Caution when it comes to love

Am
I did

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

So, shine bright tonight

You and I

We're beautiful, like diamonds in the sky

F
Why, why

C
I tell them that it's human nature

G
Why, why does he do that way

F
Oh won't you stay with me?

G
Cause you're all I need

F
We're going down, down in an earlier round

C
And sugar, we're going down swinging

G
I'll be your number one with a bullet

Am
A loaded God complex, cock it and pull it, Yeah

Is it too late now to say sorry?

C
Cause I'm

G
Missing more than just your body

F
And I don't, And I don't, And I don't, And I don't

C
No I don't, it's true

G
No I don't, No, I don't, No, I don't, No, I don't

Am
Want anybody else but you

F
You say you can't live without me

G
So why aren't you dead yet?

Am
Why you still breathing?

F
And you say you can't live without me

C
How can I sleep when you're out there

G
With all my love?

Am
I've become so numb, I can't feel you there

F
Become so tired, so much more aware

F
But you'll never be alone

C
I'll be with you from dusk till dawn

G
I'll be with you from dusk till dawn

Am
Baby, I am right here

F
I'll hold you when things go wrong

C
I'll be with you from dusk till dawn

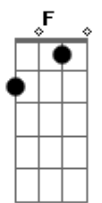

G
I'll be with you from dusk till dawn

Am
Baby, I am right here
