

Coral Central Louvor - Ó Noite Santa

tom:

Ó noite santa de estrelas fulgurantes

Ó linda noite em que o Cristo nasceu

Estava o mundo pecador errante

Até que o Cristo na terra apareceu

As almas gozam nova esperança

Em clara aurora, a nova luz se ergueu

Povos ajoelhai, ouvi a voz dos anjos

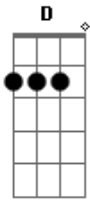

Ó noite divina

Em Belém Jesus nasceu

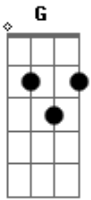

Ó santa noite

Jesus Nasceu
