

# Corinne Bailey Rae - Another Rainy Day

Tom: **G**

**Bm7** **E7** **Am7**  
I got taken in we feasted on olives from the fridge  
**D7** **Bm7** **E7**  
We stood the whole lonely day we made love all afternoon  
**Am7** **D7**  
Til the stars went blue

**Bm7**  
You wrote a ballad  
**E7** **Am7**  
We dined on oysters and champagne  
**D7**  
That's it seemed like  
**Bm7** **E7**  
We connect in so many ways  
**Am7** **D7**  
So easy, I must say

**Bm7** **E7**  
Why am I so shy around you?  
**Am7** **D7**  
Why am I so shy?  
**Bm7** **E7**  
Why do I take care to astound you?  
**Am7** **D7**

Why do I even try?

(play the rest of the song just like the i showed you above)

Another rainy day  
We sat inside by the radiator  
Watching old black and white films  
Where everybody sang

You played in my solitude  
Didn't get dressed 'til two  
The rain says all  
I wrote this song on my guitar  
But it didn't turn out right  
So we just connected in other ways  
So easy, I must say

Why am I so shy around you?  
Why am I so shy?  
Why do I take care to astound you?  
Why do I even try?

Why am I so shy around...?  
Why am I so shy?  
Why do I take care...?  
Why do I even try?

## Acordes
