

Corinne Bailey Rae - Another Rainy Day

Tom: G

Bm **E7** **Am**
I got taken in we feasted on olives from the fridge
D7
We stood the whole lonely day we made love all afternoon
Am **D7**
Til the stars went blue

Bm
You wrote a ballad
E7 **Am**
We dined on oysters and champagne
D7
That's it seemed like
Bm **E7**
We connect in so many ways
Am **D7**
So easy, I must say

Bm **E7**
Why am I so shy around you?
Am **D7**
Why am I so shy?
Bm **E7**
Why do I take care to astound you?
Am **D7**

Why do I even try?

(play the rest of the song just like the i showed you above)

Another rainy day
We sat inside by the radiator
Watching old black and white films
Where everybody sang

You played in my solitude
Didn't get dressed 'til two
The rain says all
I wrote this song on my guitar
But it didn't turn out right
So we just connected in other ways
So easy, I must say

Why am I so shy around you?
Why am I so shy?
Why do I take care to astound you?
Why do I even try?

Why am I so shy around...?
Why am I so shy?
Why do I take care...?
Why do I even try?
