Em

I wait for you.

C7

I don't know why.

Am

All I know is I can't hide.

Em

At this temperature you could take over my mind.

C7

Like gossamer, you softly touch.

Am

He draws me in, I'm powerless.

Em

He possesses an enchantment.

Refrão:

Am Am Am D Am

Tell me I'm forgiven.

Am Am Am D Am F Em G

He calls, don't know how I fell under his spell.

Am Am Am D Am

Lately I've been driven.

Am Am Am D Am

He smiles, an enchantment.

(**Em C7 Am Em C7 Am Em**)

I wait for you.

I'm mesmerized this love is like a potion in disguise.

I'd tightrope walk with a blindfold on my eyes.

I can't escape, or so it seems.

I'd run away, he's in my dreams.

He possesses an enchantment.

(REFRÃO)

(**Em C7 Am Em C7 Am Em**)

It's the kind of sleepwalk that never ends.

A type of loan with no dividends.

It's a parlour game where you're given chase.

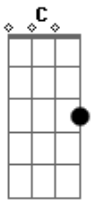

Guess it could be called an acquired taste.

I know, he knows, he calls, I go, I know.

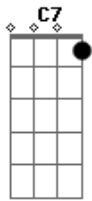

This could be an enchantment.
