

Corinne Bailey Rae - Just Like a Star

```
Tom: F
                                                              We do it all the time,
                                                                                  Bbdim
                                                                       Eaug
              Dm
Just like a star across my sky,
                                                              Blowing out my mind,
            E7/b9
Just like an angel off the page,
            Am
                                                              Dm E7/b9
You have appeared to my life,
Feel like I'll never be the same,
                                                              VERSE 3 - REFER TO CHORD LIST ABOVE
            Dm
                                                                       Dm
Just like a song in my heart,
                                                              I have come to understand, The way it is,
            E7/b9
Just like oil on my hands,
                                                              It's not a secret anymore,
                         Bb7 C
            \mathsf{Am}
                                                                       G7sus4
Oh..... I do love you,
                                                              'cause we've been through that before,
                                                                       Dm
                                                              From tonight I know that you're the only one,

                                                              I've been confused and in the dark,
                                                                       G7sus4
Still I wonder why it is,
                                                              Now I understand.
         Eaug
                                                              F Eaug Am Gm C
I don't argue you like this,
         Am
With anyone but you,
            F
                                                               - REFER TO CHORD LIST ABOVE
We do it all the time,
         Eaug
                                                              Still I wonder why it is,
Blowing out my mind,
                                                                        Eaug
                                                              I don't argue you like this,
                                                                        Am
                                                              With anyone but you,
VERSE 2 - REFER TO CHORD LIST ABOVE
                                                                   C F
                                                              I wonder why it is,
You've got this look i can't describe,
                                                                        Eaug
          E7/b9
                                                              I wont let my guard down,
You make me feel like I'm alive,
                                                                      Am Abm Gm
                                                              For anyone but you
When everything else is a fade,
                                                              We do it all the time,
           Am
Without a doubt you're on my side,
                                                                        Eaug
                                                              Blowing out my mind,
           Dm
Heaven has been away too long,
           E7/b9
Can't find the words to write this song,
                                                              OUTRO - REFER TO CHORD LIST ABOVE
                 Bb7 C
          Am
Oh....your love,
                                                                       Dm
                                                              Just like a star across my sky,
                                                                       E7
                                                              Just like an angel off the page,
 - REFER TO CHORD LIST ABOVE
                                                              You have appeared to my life,
Still i wonder why it is,
                                                                       G7sus4
          Eaug
                                                              Feel like I'll never be the same,
I don't argue you like this,
                                                                       Dm
                                                              Just like a song in my heart,
          Am
With anyone but you,
                                                              Just like oil on my hands
