

# Corinne Bailey Rae - Like A Star Solo

Tom: **C**

I like this song, use Bailey's tab for chords.

This is just the finishing touches on the song.  
Get the chords from the sources because they are great,  
especially  
tabbed by Chris Bailey.  
However for the picking, I believe the chord is **Am7** instead of  
**A**.

**Dm**

**E7**

**Am7**

And also the picking reverses before finishing in the  
original pattern.

Again, this is a finishing touch, a layered piece.
