

# Corinne Bailey Rae - Trouble Sleeping

Tom: Eb

(Fm - Bb - Cm7 )

(Fm - Cm7 )  
It's late and I'm feeling so tired  
Having trouble sleeping.  
This constant compromise  
Fm G7  
Between thinking and breathing.

G7  
Just don't say I'm falling in love

(Fm - Cm7 )  
Some kind of therapy  
Is all I need  
Please believe me  
Some instant remedy  
Fm G7  
That can cure me completely

(REF )

G7 Fm Cm7  
Just don't say I'm falling in love  
Cm7

'cause I've been there before and it's not enough

Fm  
So nobody say it

Bb7  
Don't even say it

G7  
I've got my eyes shut  
Won't look, oh

Fm Cm7  
No, I'm not in love

(REF )

(Fm - Cm7 )  
Just don't say I'm falling in love  
Falling in love  
Just don't say I'm falling in love  
Oh, yeah

Falling love ooh  
Oh, oh, don't say that I'm falling in love, don't say that, oh  
Just don't say that I'm falling in love, yeah  
Just don't say that I'm falling in love  
Don't say but in the answer  
'Cause I'll never give in

Oh  
Falling in love  
Yeah  
Oh
