

Cortes - Daily (feat. Cass)

Tom: E

Intro: A E

Yeah I need you on the daily, daily
Couple weeks and I go crazy. Crazy
Yeah I need you on the regular, the regular
Yeah I need you yeah I'm telling ya, telling ya

Yeah I need you on the daily, daily
Couple weeks and I go crazy. Crazy
Yeah I need you on the regular, the regular
Yeah I need you yeah I'm telling ya, telling ya

Do you mind if I, mind if I
Tell a story of a girl that I, girl that I
Know that needs you on the daily

Ain't no time to mess around
I know when it's going down
You're the one I need and now

They don't know, they don't know what I've been through
They don't know, they don't know that I need you aye

Here's my life you take it and you use me
It's more than just a high

God, I need you on the daily
It's a fact when I'm with you it's amazing

My whole life is only centred on you

Only centred on you, yeah yeah

Yeah I need you on the daily, daily
Couple weeks and I go crazy. Crazy
Yeah I need you on the regular, the regular
Yeah I need you yeah I'm telling ya, telling ya

All those nights I spent alone
I know you were there all along
And you're the centre of my home
There's no sense in letting go

No running away
I need you to day
Day after day
Irrisistable grace

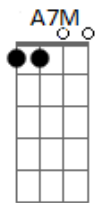

No way I can fight it
The one who I confide in
There's no hiding

Yeah I need you on the daily, daily
Couple weeks and I go crazy. Crazy
Yeah I need you on the regular, the regular
Yeah I need you yeah I'm telling ya, telling ya

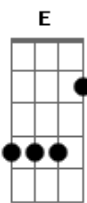

Yeah I need you on the daily, daily
Couple weeks and I go crazy. Crazy
Yeah I need you on the regular, the regular
Yeah I need you yeah I'm telling ya, telling ya
