

# Cory Asbury - Dear God

tom:  
Capo: 1ª casa  
Intro: D

Dear God  
I've been trying awful hard to make You proud of me

But it seems  
The harder that I try the harder it becomes

And I feel like giving up  
Most of the time

Dear God  
I've been chasing their approval and it's killing me

And I know  
The more I try to prove  
The less I have to show

And I'm stuck inside my head  
Most of the time

If I pray a little harder  
If I follow all the rules  
I wonder could I ever be enough

I try and I try  
Just to fall back down again  
And I ask myself why

Do I try to chase the wind  
I just lean into the mystery  
Maybe hope is found in a melody  
So I wanna try again  
Yeah, I'm gonna try again

Dear child  
I hope you know how much I love you and I'm proud of you  
Please believe  
The thoughts I have for you will never change or fade away  
When you felt like giving up  
I was there all along

I'm not scared of imperfections  
Or the questions in your head  
Just know that you have always been enough

You tried and you tried  
And I saw your wrestle with  
Every how, every why  
I was right there listening  
So just fall into the mystery  
I'll meet you in the melody  
So please try just to try again  
So child would you try again  
My child you can love again
