 You take good care of me
                                                                                                                                                                                                                                                                                                                                                                                                                                                                         I know there?s got to be more
                                                                                                         Ab
 You know what I need
                                                                                                                                                                                                                                                                                                                                                                                                                                                                         But I can?t get past Your goodness
 Before I even ask a thing
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                Fm
                                                                                                                                                                                                                                                                                                                                                                                                                                                                        I know there must be more
                                                                                      Fh
 You hold me in Your hands
                                                                                                                                                                                                                                                                                                                                                                                                                                                      Db
                                                                                                                                                                                                                                                                                                                                                                                                                                                                         But I can?t get past Your kindness
 With a kindness that never ends
                                                                                                                                                                                                                                                                                                                                                                                                                                                                         I know there?s got to be more % \left\{ 1\right\} =\left\{ 1
 I?m carried in Your love
                                                                                                                                                                                                                                                                                                                                                                                                                                                                         But I can?t get past Your goodness
 No matter what the future brings
                                                                                                                                                                                                                                                                                                                                                                                                                                                       [Refrão Final]
 You take good care of me
  [Segunda Parte]
                                                                                                                                                                                                                                                                                                                                                                                                                                                       ?Cause You take good care of me
                                                                                                                                                                                                                                                                                                                                                                                                                                                       You take good care of me
  The sun?s not worried ?bout the winter
                                                                                                                                                                                                                                                                                                                                                                                                                                                       You know what I need
                                  Ab
  ?Cause soon it will pass
                                                                                                                                                                                                                                                                                                                                                                                                                                                       Before I even ask a thing
  The light?s not thinking ?bout the darkness
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           Eb
                                                                                                                                                                                                                                                                                                                                                                                                                                                       You hold me in Your hands
                                       Ab
 Or the shadow it casts
                                                                                                                                                                                                                                                                                                                                                                                                                                                      With a kindness that never ends
                                                                                                                                                                                         Eb
 A heart that?s planted in forgiveness
                                                                                                                                                                                                                                                                                                                                                                                                                                                       I?m carried in Your love
                     Ab
 Doesn?t dwell in the past
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       Fm
                                                                                                                                                                                                                                                                                                                                                                                                                                                      No matter what the future brings
                                          Eb Ab
     So why should I be
                                                                                                                                                                                                                                                                                                                                                                                                                                                       You take good care of me
