

Counting Crows - Hanginaround

Tom: G

The solo needs work but everything in the solo up to the asterisk is the correct notes
Intro:

F C G
She sat right down on the sofa
F F
And says where have you been
C G
I've been waiting for you
F C G
And last night I had something so good
F C G
These days get so long and I've got nothing to do
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town so long
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town for way too long
F C G
We spent all day getting sober
F
Just hiding from daylight
C G
And watching tv (...fading away)
F C G
We just look a lot better in the blue light
F
Well you know I gotta get out
C
But Im stuck so tight
G
Weighed by the chains that keep me
F C G
, hanging around this town on a corner
F C G
I've been bummin around this old town so long
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town for way too long

Solo:

F C G
This girl listens to band plays
F C G
She says where have you been
F C G
Been laying right here on the floor
F C G
I got all this time to be waiting for what is mine
F C G
To be hated for what I am after the light has faded
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town so long
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town for way too long, hey
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town for way too long
F C G
I've been hanging around this town on a corner
F C G
I've been bummin around this old town for way, way, way, way,
too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long
G F C
way, way, way, way, too long

/ = Slide
h = hammer on
p = pull off
