

Course Of Nature - Gone

Tom: E

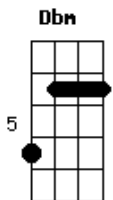

E
I'm sad when I'm gone
But I'm leaving again
Dbm
What do you think?
Could you even care?
E
I tried to be strong
But I wanna cry
Dbm
So I hold you close
As I say goodbye
E
And I'm sorry I won't be
Dbm
With you tonight
When you close your eyes
E
And I feel so guilty
Dbm B E Gbm
As I walk away from you again
E Abm
You know that I want the best for you
Dbm
And I hope that you will write
A
If I had it my way
E
I could be with you tonight
Abm
I am coming home to you
Dbm
I can finally see the light
A
And if I should make it through
E
I will be with you tonight
E
To have and to hold
Protect and provide
Dbm
All you should need
I won't deny
E
And I need to see
That smile on your face
Dbm
The look in your eyes
It takes me away
E

I'm sorry I won't be
Dbm
With you tonight
But you're on my mind
E
And I feel so helpless
Dbm B E Gbm
All I want is just to be with you again
