Craig Eddie - Come Waste My Time

```
                        tom:
                    Am

                Am
Come waste my tim
                    G
I've got nothing to lose
                Dm
Since falling for you, you, you
                Am
Is all I could do

Am                          G
Falling for you was the biggest mistake
            Dm
That I could have made
                Am
Still kills me today

Am
Secrets and games in the form of true love
G
Painless mistakes, girl

You can't get enough
Dm
Seared in my mind, into reasons to stay
C               D   Am
Give me some time till I heal my soul

Am
If love doesn't kill me
                G
The pain might as well

I've heard all your stories
                Dm
I know you too well

Dm
We both know you hide from the truth
```
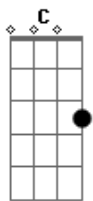

```
                C               D
For the lies and excuses, I'm done
                    Am
Come waste my time

Am
Come my waste my life
                        G
I lost all I could lose
                Dm
Surrendering to you
                Am
What else can I do?
