Intro: C G Am E

C G Am
E F C G C

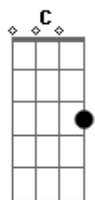

Am
On the stormy shores of Azeroth
E
A silhouette did stand
F
A brave and stalwart sailor
C E
Who gave a helping hand
Am
Without fail, on every whim
E
Which we did demand
F
He simply smiled and waved his hand
G
And sent us 'cross the land

[Refrão]

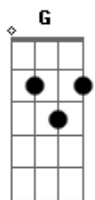

C G
Farewell to thee, Placeholder
Am E
Your ship has sailed to sea
F C
We'll tip our hats and pray one day
G
To be as great as thee
C G Am E
Captain P, you'll never know the emptiness inside
F C G C
As we sit ashore on Menethil, waiting for a ride

Am
Time did pass, until, one day
E
That silhouette did fade
F
Where once we found Placeholder
C E
Only scattered winds remained
Am
The stormy sea went silent
E
On that dark and dreary day
F
But come along, my friends
G
Let's raise a glass up for his name!

Am
So when you find yourself lamenting
E
On that lonely pier
F
Watching as the ships come in
C E
And drying off your tears
Am
Believe in what he stood for
E
And I know that he'll survive
F
Inside our hearts dear Placeholder
G
Will always be alive!
