

Crash Adams - Give Me a Kiss

tom:

G

B

Sometimes
Bm
I wish that I could just quit
G
But then the other times
D
There's nobody better than this
A
Even though you never listen
Bm
And you're always right
G
I guess I would've never fit your type
D
Except for that first night
Bm
We're two kids under that moonlight
A
We ate McDonald's at midnight
D
Became the best of friends
A
I remember our first time
Bm
In Barcelona
A
That morning I was so hungover
G
I never thought that all roads led to this
D
A

So give me a kiss
G
Sometimes
Bm
You say that I'm just too much
A
G
But then the other times
D
Feels like I give you the world
A

And I won't give up
G
Oh, I never listen
Bm
And I take too long
A
