

Crash Test Dummies - How Does A Duck Know?

Tom: **E**

organ in the intro - **E**

How does a duck know what direction south is?

And how to tell his wife from all the other ducks?

A **E**
You can cut a chicken's head off
A **E** **A** **Gb E**
and it will keep on running and twitching

{Chorus}

A **E**
When everything seems planned out
A **E** **E**
when everything seems nicely planned out
A **E** **A** **B**
well the human race will come and smack your face

How come all my body parts so nicely fit together?

All my organs doing their jobs, no help from me
A **E**
a person pulls a spider's leg out

A **E**
To watch it keep on moving and twitching.

(Chorus)

E **A** **E** **B**
Satan lives here on grain and earth, rain and air.

How come I just smoke and smoke and smoke
and curse every butt I spit out?

All night long I grind my teeth and I wake up when I cough
A **E**
You can put me in and iron lung
A **E** **B** **E**
and I will keep on breathing and twitching.

(Chorus)

additional line on Chorus:

A **E** **B**
You might be dead, Better keep your head
