

# Crash Test Dummies - The Ghosts That Haunt Me

Tom: **A**

(com acordes na forma de **G** )

Capostrate na 2ª casa

**G** **Em7** **D** **C**  
There's a skeleton, in everybody's closet

**D** **Em7** **C**  
I can think of one or two in my own room

**G** **Em7** **D** **C**  
But I would like to introduce them both to you

**D** **Em7** **C**  
Shake their bony hands and so dispell the gloom

**D** **Em7**  
Cause your so kind

**D** **C**  
I know you would not mind

**G** **Em7** **D** **C**  
You'd send away the ghosts that haunt me now

**D** **Em7**  
And the things I fear

**D** **C**  
Just wouldn't seem so near

**G** **Em7**  
And when I stroll out late at night

**D** **C** **G**  
There would be nothin' rattlin' at my heels

**G** **Em7** **D** **C**  
There are night when all my aching bones won't let me sleep

**D** **Em7** **C**  
And demons come to plague me as I lie in bed

**G** **Em7** **D** **C**  
But I know if you were sleeping there beside me then

**D** **Em7** **C**  
That you would fend them off and they would let me rest

**D** **Em7**  
Cause your so kind

**D** **C**  
I know you would not mind

**G** **Em7** **D** **C**  
You'd send away the ghosts that haunt me now

**D** **Em7**  
And the things I fear

**D** **C**  
Just wouldn't seem so near

**G** **Em7**  
And when I stroll out late at night

**D** **C**  
There would be nothin' rattlin' at my heels

**D** **Em7**  
There are nights

**D** **C**  
When the wind comes howling through my old place

**D** **Em7**  
I have dreams

**D** **C**  
And I wake up with the sweat pouring down my face

**G** **Em7** **D**  
And I wait.....

**C**  
Till the morning comes

**G** **Em7** **D** **C**  
There will come a time I fear when all my days are done

**D** **Em7** **C**  
And they will come collect my corpse and bury me

**G** **Em7** **D** **C**  
And then I hope that you'll come over to the Other Side

**D** **Em7** **C**  
Join me in our new life, keep me company

**D** **Em7**  
Cause your so kind

**D** **C**  
I know you would not mind

**G** **Em7** **D** **C**  
You'd send away the ghosts that haunt me now

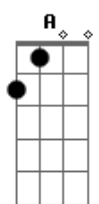

**D** **Em7**  
And the things I fear

**D** **C**  
Just wouldn't seem so near

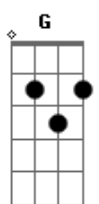

**G** **Em7**  
And when I stroll out late at night

**D** **C** **G**  
There would be nothin' rattlin' at my heels
