

# Crazy Ex-Girlfriend - I Hate Everything But You

tom:

**D**

The smell of water, kids screaming with joy

**G** **A**

I've hated crap like that since I was a boy

**D** **G** **A**

While everyone was laughing and having so much fun

**G** **A**

I would mutter "This sucks" till the day was done

**G** **A** **D**

I detested most stuff and I still do

**A** **D**

You see, I hate everything but you

**A**

I hate the feeling of the sun when it hits my skin

**G** **D**

I don't like bands with a guy on mandolin

**A**

I hate when people post their pictures with the hashtag "mood"

**G** **D**

I hate when people call blueberries a superfood

**Bm**

I hate when someone says, "Oooh, it's magic hour!"

**G**

Or when people actually stop and smell a flower

**A**

I hate white women who call their engagement rings "bling"

Oh yes, I hate everything

**D**

But you

More examples!

**A**

I hate guys who read magazines devoted to golf

**G**

Hate Frisbee golf, and when people call Frisbee golf "frolf"

**A** **D**

I hate when people ask me if I'd ever get a tattoo

**G** **D**

Hate combination conditioner and shampoo

**Bm**

I hate doing The Wave at a baseball game

**G**

I hate couples with a cutesy couple name

**A**

I hate when someone says a joke and someone else says, "Zing!"

Oh yes, I hate everything

**D**

But you

**G** **A**

'Cause when I look into your eyes and I see you smile

**Bm** **D**

When you laugh at yourself and we talk for a while

**G**

Just for a moment I forget

**A**

How much I hate it when people say, "Gotta jet!"

Even more examples!

**G**

I hate it when people say they're going "off the grid"

**D**

Or when someone calls their baseball cap their "lid"

**G**

I hate models who just happen to date quarterbacks

**D**

I hate grown men who always quote Caddyshack

**G** **D**

I hate the phrase "Love conquers all," and I hate that it's true

**Bm** **D**

'Cause I want to not hate things when I'm with you

**G** **D**

You love so many things and you have so much fun

**A**

It makes me wish my hating days were done

**G** **A** **D**

And there's one thing I want you to know

**G** **A** **D**

I'll always hate guys who name their cars
