

Crazy Ex-Girlfriend - It Was a Shit Show

Tom: **D**

I love you, yes
Gbm

And I'll confess
Am

The thought of staying is so enticing
G **D** **C**

And when you speak, my knees get weak
Gbm **Bm**

I can't believe what I'm sacrificing
Em **Gm**

But let's get real, we know the deal
Gbm **Bbm** **Bm**

So darling let's not tip-toe
Em **A**

This thing we had was not just bad
D

It was a shit show

A **D** **Gbm**

We can't undo, can't make amends
Am **D**

Dysfunction is our lingua franca
G **C**

We can't unscrew each other friends
Gbm **B**

We're Jerry Springer, not Casablanca
Em **Gm**

There's hard to get?, then there's neglect
Gbm **Gb** **Bm**

To say it's fate, you'd have to be a bit slow
Em **A**

Not to be crass, but this sucked ass
D

This was a shit show

Bb **Gm** **Am** **D**

Chernobyl next to us looks like a campfire
Bb **Gm** **F** **D**

Hurricane Katrina was just bad weather
Bb **Gm** **Gbm** **Bm** **Fm**

We have chemistry, of course, but that's a formula for divorce
Em **A** **Am**

A play about pieces of feces is what we are together

A **D** **Gbm**

Oh, what the hell, let's get a hotel
Am **D**

Cause life is short and we're not getting any younger
G **C**

But after sex, what happens next?
Gbm **Bm**

I mean in the long run, not just fatigue and hunger
Em **Gm**

And when you say that I should stay
Gbm **Bbm** **Bm**

That's exactly when I should split
Em **A**

Though I won't forget, I won't regret

C **Gm** **A**

This beautiful, heart stopping, breathtaking, life-changing

(**D** **Gbm** **Am** **D** **G** **C**)
