

# Crazy Ex-Girlfriend - Oh My God I Think I Like You

tom:

**D**

You've been tearing me up for a week and a half  
**Gbm Bm**  
I don't mean like in my heart  
**G A**  
I mean physically, you've been tearing me up  
**Gbm Bm**  
It's D-Day in my lady parts  
**G**  
But as I'm begging for more  
**G**  
Writing around on the floor  
**A**  
I feel something deep inside I never felt before

**A D D D**  
Oh my God, I think I like you  
**A Em A**  
Oh my God, I think I like you

**G Bm**  
It's scary, but you send me back on my heels  
**G Gb**  
'Cause while I'm getting spanked, I can't ignore the feels

**G A D**  
But I say no, no, no! This is just about sex  
**G A D**  
And no, no, no! Don't be such a girl, Bex

**G A**  
But then I feel the Oxytocin creeping back to my brain  
**G A**  
And all I can do is sing it again

Oh my God, I think I like you

**G A**  
Why can't I just focus on getting a pounding  
**Gbm Bm**  
Or the business going on in my thighs

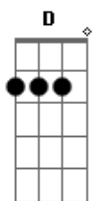

**G A**  
But as my body's getting ruined, like really trashed  
**Gbm Bm**  
I only wanna look in your eyes  
**G**  
But then I'm upside down next to my kitchen sink  
**A**  
And suddenly it's like Oh my God, I think  
**D D D**  
I like you  
**A Em A**  
Oh my God, I think I like you

**G Bm**  
My feelings get stronger every day  
**G Gb**  
I'm like a little girl, not in a role playing way

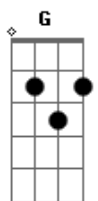

**G A D**  
Are there condoms that can prevent these feelings  
**G**  
Is there spermicidal lubricant that can kill  
**A D**  
The fluttering in my heart  
**G A Bm**  
Is there an I - U - D that can stop the image of you and me  
**G**  
Getting married on a hillside surrounded by ducks  
**A**  
And then we get into a rowboat

**D D D**  
Oh my God, I think I like you  
**A Em**  
Oh my God, I think I like you  
**G A D**  
But I say no, no, no  
**G A D**  
No, no, no  
**G A D**  
No, no, no  
**G A D**  
No, no, no
