10,000 hours in anything makes you an expert
And I've spent way more time than that frettin' over guys
I've got a B.F.A., an M.F.A., a Ph.D. in obsession
And now I find myself wondering why

C G
I could have used that time to cure leukemia
Am G
I could have used that time to clean the seas
C G
I could have taught some teens awareness of bulimia
Am B
I could have saved the pandas, whales, and bees

C D Bm Em
Without love, you can save the world
C D Bm Em
Put those hours to good use instead
C D Bm Em

Em
But not love

Em C

G D
On things that later on, you'll be like, "Why?"
Em C
Like when's he gonna text or when will I see him next?

G B
Then suddenly the lakes have all gone dry

And it's all your fault!

Without love, you can save the world

Em
Save the world!
