

Crazy Ex-Girlfriend - Women Gotta Stick Together

tom:

C
 Women gotta stick together
G7
 Each and every day
Dm **G7**
 Women gotta stick together
Gm **C7**
 In each and every way

F
 Females helping females
Em **A7**
 For the greater good
Dm **G**
 Sisters helpin' sisters
Dm **G** **C**
 That's called sisterhood!

F **C**
 Women have the power
G **C**
 The power to make a change
F **C**
 Like this girl should pluck her eyebrows
G **C**
 And those jeans should be exchanged
 You really need a size up!

Em **Am**
 Some girls are born tall and thin
Em **Am**
 And some are short and fat
Dm
 This girl smells like sausages
G
 But there's nothing wrong with that!

C
 Women gotta stick together
G7
 All across this land
Dm **G7**
 Except Denise Martinez
Gm **C7**
 That bitch I cannot stand
C7
 Oh, hey, Denise!
C7

Hey, girl!

F
 Females helpin' females
Em **A7**
 Like this girl here with the blotchy face
Dm **G**
 She banged her best friend's boyfriend
Dm **G** **C**
 In the bathroom of that half-priced sushi place
C
 What?
C
 Oh, you didn't know?

F **C**
 So let's all spread this message
Dm **C**
 Like Caitlin spreads disease
F **C**
 'Cause a change is coming faster
Dm **G**
 Than Ashley drops to her knees

F **C**
 Together we can clear these hurdles
Dm **C**
 Except Marissa 'cause she's four-foot-eight
F **C**
 We can climb every mountain
Dm **G**
 If the rope can support Haley's weight

D
 Women gotta stick together
A
 Do everything we can
Em **A**
 So if some weird troll named Rebecca moves here from New York
 and is all up on my boyfriend

I'm gonna
Am **D**
 Lend her a helping hand!

G
 Women gotta stick together
Gbm **B**
 And tell each other the truth?
Em **A**
 The truth is you're all fat sluts
Em **A** **D**
 And that's called sisterhood
