Crazy Ex-Girlfriend - You Stupid Bitch

```
                              Tom:
Intro:  Eb  G7  C

Eb              G7                 C
Well rebecca, you?ve done it now
F7              Bb              Eb
Karma?s come to tap you on the shoulder
              Eb
All that lying that?s been festering
G7
Plus breaking and entering
F7                             Bb
Is coming now to crush you like a boulder

             Eb
You ruined everything
    G7       C
You stupid bitch
             F7
You ruined everything
      Bb
You stupid, stupid bitch
                   Eb
You?re just a lying little bitch
    G7                 C7
Who ruins things and wants the world to burn
F7                     Bb
Bitch. you?re a stupid bitch
             Eb
And lose some weight

Eb        G7        C
I was so close to paradise
```

```
F7              Bb                Eb
But now the only thing i?m close to is defeat
          C
These shards are a metaphor for my soul
                G7
Won?t stop the self-pity ?cause i?m on a roll
F7
Yes josh completes me, but how can that be
Bb
When there?s no me left to complete?

             Eb
You ruined everything
    G7       C
You stupid bitch
             F7
You ruined everything
      Bb
You stupid, stupid bitch
              Eb                  G7
You?re just a poopy little slut who doesn?t think
         C7
And deceives the people she loves

        Eb
Now he knows i?m not some innocent lamb
      G7
He sees me for what i am
              C
Which is a horrible, stupid, dumb and ugly
                        Bb
Fat and stupid, simple, self-hating
Eb
Bitch
