

# Creed - A Thousand Faces

Tom: **D**  
Intro: **B Bm Gmaj9** (2x)

(verse)  
I stand **B** surrounded **Bm** by the walls **Gmaj9** that once confined me  
Knowing I'll be underneath them when they crumble **Gmaj9**  
when they fall with clarity my scars remind me **Gmaj9**  
Ash still simmers just under my skin

(pre-chorus)  
Indifference **D** smiles again  
**Gmaj9**  
So much I hide  
**D** How is stepping back a move forward? **Gmaj9**

(chorus)  
**G** Now I'm forced to look behind **D**  
I'm forced to look at you **D**  
You wear a thousand faces, tell me... **A**  
Tell me which is you! **G**  
Broken mirrors paint the floor **D**  
Why can't you see the truth? **D**  
You wear a thousand faces, **A**  
Tell me... Tell me which is you!

(verse)  
Eerily time made no change **B Bm**  
pointing fingers...laying blame **Gmaj9**  
Lying over, and over, and over, and over **B Bm Gmaj9**  
Deceiving your mind **B**  
Dug my grave...Trashed my name **Bm**  
Yet here I stand so you won't fade away **Gmaj9 B Bm Gmaj9**
